Shalom in every prayer meeting. God never failed us. Everytime God performed miracles in the lives of audience and people came forward glorifying the name of Jesus. Emmanuel is growing so also the God's work of reaching Gospel to unreached is continuing and would continue in future. Thanks to the only living God who showered abundant grace upon us and made us his vessels.

God's grace is freely available to everybody in this world. However, we get an opportunity to experience and realise this when we pass through difficult situations. This is the episode of a couple who were passing through very difficult situation in their life and were blessed abundantly. Not only that, by just reading this book many people have been blessed.

FOREWORD

16-B, 27th Street, Rahmuth Nagar
Shanthi Nagar PO,
Palayamkottai – 627 002.

Loving greetings in the name of our Lord Jesus Christ!

I praise God for this book, “You will give birth to a son”, which is written by Bro. P. Arul Selvaraj.

I know him very well since the beginning of my ministry. He is a minister with great burden for souls.

I thank God for the special God given talents in him. We comprehend from his writings that all his published works are deep rooted in the Word of God and led by the Spirit of God. These days we see, many families struggling in sorrow and grief due to childlessness.

I strongly believe that this book “You will give birth to a son” will be a guide to inherit the blessing of “fruit of the womb”. There is no doubt that the Biblical truths that are given here will open the eyes of your understanding.

Read! Believe! Inherit the blessing!

In Christ’s service
Your loving brother

but they did not pay any attention. He was surprised as to how these people came to his house suddenly?

On April 9, 2004 i.e. on Good Friday we gave testimony in the church located on the first floor of brother Selvaraj’s house and in one more church. In both the churches there were couples who were married for long but were not blessed. All of them were encouraged to hear our testimony. Thereafter we spent time with the family of brother Selvaraj. On April 10, 2004 we took afternoon flight and reached Kolkata in the evening. From there we took a train and reached Jamshedpur where my younger brother had come to receive us. We reached Khunti and reached cemetery where the service of Easter was going on.

I was transferred to Lucknow from Bhubaneswar in April 2004. Smita also got transfer from Rourkela to Lucknow in June 2004. Later in June 2007 we were transferred to Ranchi where we continued till May 2012. In June 2012 we shifted to Bangalore where we continued till May 2016. Now, again I have been transferred to Bhubaneswar. We continued taking gospel to multitudes in and around the places of posting with a testimony of Emmanuel

will provide you berths in one place. The train left and by about an hour we understood the plan of God. There was a woman in that place who was married for long but was not blessed. Holy Spirit prompted us to give testimony of Emmanuel. We did so and kept on talking until we reached Howrah. Her faith in Jesus increased. Before leaving the train the lady said that she would definitely attain motherhood. Next day we took flight for Chennai and reached the destination at 2:00 PM. We reached Brother Selvaraj house. After talking for a while we came to know that some people from a Tamil channel had come to record message of brother Selvaraj for Easter. When they came to know about us, they asked if we would like to give testimony on TV? We said yes and after freshen up our testimony was recorded and the same was telecast on April 11, 2004, the Easter Sunday and was seen in many countries. There were two brothers in the group of people who recorded our testimony who were not blessed with their marriage. After recording the testimony they talked to us for long as to how Emmanuel was born despite odd situations and their faith increased many fold. Later Brother Selvaraj told us that in fact he was trying with that TV channel for long to telecast the word of God through their channel

PREFACE

In May 2015, I received a call from Sis. Rajini, living in Vijayawada. I was able to sense the overflowing joy in her voice as she said, “Not only for me, it is the 4th month of pregnancy for all those whom you prayed over phone.”

In December 2014, I had been to Narasipattinam for ministry. During those days of ministry there, a Pastor and his wife took me to Sis. Rajini’s house to pray for her. she was married and did not have a child for many years, I prayed for her and assured her with promising words that God will definitely do a miracle. She then told me that some of her friends were also suffering without a child for many years. She requested me to pray for them over phone and she started dialing one by one. I prayed for all of them over phone. A few months rolled by after this incident. Yes, God is good. God did a miracle for Sis. Rajini and for all those who requested me to pray. All those who were barren for many years were in their family way for the fourth month when they called me and are now parents of beautiful children.

On hearing this my Joy knew no bounds. As I finished writing all the chapters of this book, I strongly felt that this should be the preface of this book.

The following words of the angel Gabriel assured Mary and strengthened her in her faith when Lord Jesus Christ was formed miraculously in her womb (although she was a virgin)

to attain parenthood.” We thank God that he has proved himself in our lives that He is the doctor of doctors and physician of physicians.

After going back to Bhubaneswar, we started doing God’s work through various prayer meetings. But there was a distinct change in the work. We started showing Emmanuel as testimony. Slowly we realised that God started using us amongst other couples who were not blessed in their married life. Many couples came forward to us for whom we prayed and were blessed. So also we kept praying for sick people in various prayer meetings. People were healed from diseases and came forward upholding Jesus. Smita was transferred to Rourkela in December 2003 and she shifted with Emmanuel and my mother. On March 21, 2004 Emmanuel became one year old. As per commitment given to Brother Selvaraj, we made a programme to visit Chennai. After completion of closing related work I reached Rourkela on April 6, 2004. The same day we left for Kolkata by Geetanjali Express. Here again we experienced the presence and planning of God. The berth of Smita was quite far from my berth. However before I could make request to TT in the station, he himself said come brother I

is a surgeon and his wife is a physician. They were married since long and have not been blessed. Next day he came along with his wife in the evening. Both of them saw the baby and asked for the postal address and contact number of Brother Selvaraj. They expressed their desire to proceed to Chennai and meet Brother Selvaraj. I could feel that soon after birth, the testimony has started working among needy people.

We reached Khunti on April 25, 2003 for baptism of baby. I discussed with Pastor John Samad in this regard. Pastor told me that the Almighty God has proved his might through this baby and hence I should testify in both the services of that Sunday. Accordingly the baptism was solemnised by Pastor John Samad in the first service in G E L Church, Kadma, Khunti on April 27, 2003 and the name given to the baby was “Emmanuel Shalom Samad” meaning the peace giving God is with us. I gave testimony in both the services. During this time I revealed to the congregation about what Dr. Das had told me after surgery at Guwahati in 1997 which I said that I would reveal in the initial pages of this book and this was known only to me. Even I had not revealed it to my wife. Dr. Das had told me “It won’t be possible for us

“Now indeed, Elizabeth your relative has also conceived a son in her old age; and this is now the sixth month for her who was called barren.” (Luke 1:36)

Mary’s faith increased as she heard that barren Elizabeth has conceived in her old age. She had an assurance that God’s promises to her will also be fulfilled.

Dear reader, the time has come for God to do a miracle for you. You can take these sisters whom I testified of as an assurance for your miracle!

As per God’s word that came through an angel, Elizabeth and Mary gave birth to their miracle babies. “He grants the barren woman a home, like a joyful mother of children” (Psalm 113:9). I have described many miracles in this book which God enabled me to see in the path of ministry for 20 years. I have written about how childless couples can meditate on these miracles and by God’s grace inherit the blessing for themselves. God is not a respecter of persons. The God who did it for them will do it for you too. Read these testimonies with faith. Receive your miracle. Share your miracle with us. May God bless you.

Pr. P. Arul Selvaraj

Smita told doctor “Through prayers”. After hearing a different type of expression came on her face and she said “I have failed to understand how this baby came into the womb. This is a miracle”. Hearing this from a gynaecologist who was expert in giving so many test tube babies, we took it as a confirmation that Yes, it is a miracle. The news spread in the congregation of Bhubaneswar and almost all the families visited us in the hospital. They all wanted to take the baby into their laps but the doctor did not allow to touch the baby. Everyone thanked God for this gift.

In the evening of March 22,2003 when I was purchasing some medicines from the pharmacy, one gentleman inquired for an injection costing around Rs.10,000/-. I could make out what was that injection. I casually told him that after seven years of marriage, God has gifted me with a baby boy. Then I left the place. That brother followed me without purchasing the injection. He asked if he could speak to me for a while. We talked for some time and he expressed his desire to come upstairs and see the baby. We came up and he saw the baby sleeping on the cradle. When we came out of the room, he revealed that he himself

There is difference between the thinking of man and God. When the days were going to be completed, we encountered with new problem which was beyond our thought. The road to the clinic of Dr. Alka Das whom we were visiting all along was closed due to construction of a small bridge just before her clinic. So also some of the portion of her clinic was broken due to road widening. We had no option than to go to other nursing home. We went to the same nursing home which was 2 KMs away from our residence and we were not happy with the doctor because of the amount she had told us to arrange for. After examination, we were told to admit Smita the very next day. Accordingly she was admitted in the “clinic located in Unit 4” in the morning of March 21, 2003. Evening at 6:46 PM the Almighty God gifted us a boy child. The birth of baby was through caesarian. The moment the news came outside my mother said “Shalom has come to our home. Dear Lord I thank you for giving Shalom to us”. Before caesarian, the situation so turned that full anaesthesia was given to Smita due to which she regained consciousness next day. When doctor came on round, she asked Smita twice “How this baby came into womb?” The internal parts are such that it was not possible to conceive.

1. The Name of God

In the Bible we come across different names for God the father. Every name of God has a meaning representing His Divine Nature or His Actions. God is names like ‘The Holy One’, ‘Good God’ reveal His nature vividly. Likewise, we see a name in Isaiah 66:9:

“Shall I bring to the time of birth, and not cause delivery?” says the Lord. “Shall I who cause delivery shut up *the womb*?” says your God” (Isaiah 66:9).

In this verse, our God is called by two names: (1) One who brings the time of birth (2) One who causes delivery. These are two names among many names. But, it is very hard to find ourselves praising or glorifying God calling out these names. The truth is, you can praise God using these names too. When we praise Him saying, “You are the Holy One”, we lift Him up and it conveys our willingness for that nature of God to be revealed in us. Likewise, when we praise Him saying, “One who brings the time of birth” and “One who causes delivery”, we are not only glorifying God, but also giving an invitation for Him to establish His nature in us or for those in need.

In my 20 years of ministry, there are many who have asked me to intercede with God for a child.

Usually, I counsel them and I mention this verse and pray for them. I have seen people receiving their miracles. I am delighted to share a significant testimony here among many testimonies, which justifies this verse.

I had been to Coimbatore to participate in a meeting in May 2002. Around 1100 persons from various places participated in that meeting. On that particular day, during lunch time, God showed me a person and said, “He is childless. Go and pray for him and tell him that I will bless him with a child.” But, I hesitated a lot to approach an unknown person and ask if he had a child or not.

As God nudged me again, I went near him with my lunch plate and sat down with him. He then introduced himself and said, “I am Samad. I have come to this meeting along with my wife. We are from Bhubaneswar in Orissa. We are married for 7 years. We do not have children.” I conveyed what God told me about him. And also said, “As it is not ethics to pray for others personally in a training conducted by others, I will not pray for you now. But, I will be staying in my friend’s house for two days. If you trust what I say, please come after this meeting. I will pray for you.”

river. After one day we left for Bhubaneswar and reached in the dead of the night. Immediately I slept due to excessive tiredness. Next day morning when I woke up I saw that Smita was very disturbed. She told me that there was heavy bleeding in the night. We just kept starrng at each other for some time. We came back to normalcy after a while and prayed to the Almighty God for well being of the baby. Soon we left for the doctor who after carrying out ultrasound told us that everything was alright. We thanked God for his mercy. One Sunday in the month of September, in continuation of the church service we testified to the congregation that we were going to attain parenthood. Later, most of the time Smita continued to be on the bed. During the entire period of pregnancy, ultrasound was done nine times. In the last two months as per doctor’s advice, saline was given to her on every alternate day. It won’t be an exaggeration to say that during this period we got a feel that devil tried it’s best that we should not be blessed with a child. In the same time we came into presence of God more and more as compared to earlier days.

be denied but in the same time it is also true that Smita is in the family way.” Then she inquired from us how it became possible. We told her in simple language that it was the result of prayers. At the end of the discussion, she handed over a list of medicines and said “Mr. Samad, miracles happen”.

Let me mention here something. A renowned gynaecologist was available at a distance of only 2 KMs from our residence but we went to the other one who was 6 KMs away since the one who was closer to our place only had told us to arrange for Rs.2.5-3.00 lakh for further treatment. We were not happy with her. Later, we passed through so many tests. We got a news on August 31, 2002 that Smita’s uncle who was staying in Purnapani, a place near Rourkela and was dear to my wife left for heavenly abode and the burial would take place at Orga, their native place. We were in dilemma since the place was more than 500 Kms away from Bhubaneswar. We consulted Dr. Alka Das and with her permission proceeded to Purnapani via Rourkela. From there I alone went to Orga since a swollen river was to be crossed for reaching the place. We crossed over the waist deep river carrying coffin since there was no bridge on the

After that meeting, I was in my friend’s house the next day. That brother came along with his wife, mother and mother-in-law in the afternoon. He had come all the way from Bhubaneswar for that meeting in his car. On the way, he had dropped his mother and mother-in-law in Bangalore. So, as the meetings were over, he went along with his wife to pick both of them from Bangalore and came back to Coimbatore for prayer. When I saw this, immediately I felt that, “Surely God will honor his faith.”

He had another problem. His wife did not like going to anyone for prayer. Before coming to me, his wife Smitha had told him, “We have gone to many such people for prayer. Nothing happened. I don’t want to come and he ashamed one more time.” But, Bro. Samad convinced her to come saying, “Come with me this one last time. Let’s go and pray. That servant of God came to me by himself and talked to me. God has spoken to him. Let’s go”. Bro. Samad was then the Assistant Manager in SIDBI Bank. His wife was a bank officer in some other bank in 2002.

I shared many miracles that God had done with them. I elaborated on how God used us as a tool to bless barren couples with child through our prayers. And I also explained to them Isaiah 66:9.

I told them, “As you are believers, surely God will give you a child.” After that I prayed for them. Once

the prayer was over, Sis. Smitha said that she felt God's power descending on her.

Before praying for them, I had a condition for them! I said, "After 1½ years, you should come to our church and share your testimony. But, you should not come like this in a car. It will be troublesome for the child. So, you should come in a flight or train." They too said, "As we are also yearning for a baby, when God gives a baby, surely we will do as you say." After this, they returned back to their home on 20 May 2002.

After a few weeks, Bro. Samad called me over phone and said, "Nothing happened." I said, "We have prayed. Do not doubt. God has done it." Again, after a few weeks, he called me and said, "Praise the Lord. God has done a miracle. My wife is now pregnant." Hallelujah! God establishes His word. God gave them a boy baby on 21 March 2003.

Actually, Sis. Smitha had undergone an operation for some of her physical problems. Doctors had told them, that they can never have a baby. But now, in the very same hospital, the same doctors who helped her in delivering the baby, named the boy as "Miracle

occupied by my sister's father-in-law and the back seat was occupied by my sister, brother-in-law, Smita etc. By the time we reached a place called Mango, all the symptoms of pregnancy started appearing on Smita. Then it was decided that Smita should sit in the front side to avoid jerk. Needless to mention that I drove the van very carefully till we reached Khunti.

After the programme at Khunti, we reached Bhubaneswar via Rourkela and very next day visited a pathological centre for urine test. The report was received on August 20, 2002. It was positive. The message spread very fast and all our relatives and well wishers rejoiced hearing the news. As per advice of elderly people we visited a gynaecologist whose clinic was nearer to airport. When she went through the earlier report of surgery, she said it is not possible for Smita to attain motherhood. When I asked her of the urine test report, she said that the report could be wrong. Then she said "Let me examine her then I will give my opinion on the report of urine test". Smita was taken inside for examination. After sometime when the doctor came back to her chamber, I could see that her face had irresolution / dilemma on her face. She said, "The report of earlier surgery cannot

and do not return there but water the earth, making it bring forth and sprout, giving seed to the sower and bread to the eater, so shall my word be that goes out from my mouth; it shall not return to me empty but it shall accomplish that which I purpose, and shall succeed in the thing for which I sent it” (Isaiah 55:10-11). He also helped us in maintaining our faith by narrating other testimonies of similar nature. Smita and myself continued our daily prayer according to Isaiah 66:9. We continued to grow in the presence of Lord. This was the time, my younger brother’s alliance related discussion was going on. Smita prayed that she should be blessed before the family of younger brother is blessed as we are elder to him.

The engagement of my younger brother was fixed on August 15, 2002 at Gamharia, Jamshedpur and the Marang Peda (visit of the girl’s side people to boy’s place) was fixed on August 17, 2002 at our native place Khunti, Ranchi. We reached Gamharia for attending the engagement programme. Though we had two cars, a Maruti Zen and a van, we preferred van since the road was not good. After the programme, we left Gamharia at around 4 :00 PM. Since we all were family members, the front seat was

Boy” (The boy’s name is Immanuel). Look! What is impossible for man is possible for God! There may be no remedy for certain physical problems in the medical field. But, God is well able to do everything.

This grateful couple came with the baby to Chennai and glorified God for this great miracle in their life. Glory to God! Even today God does miracles. God blessed Bro. Samad and his wife. A man who himself was lacking, became a reason for the blessing of many. Any childless person who listens to his testimony is also blessed with children. His testimony booklet is available in Hindi. Whoever is in need can contact us for a copy.

I believe that this testimony would have given you enthusiasm and hope. We also learn that He is “the One who brings the time of birth” and “the One who causes delivery”. Why is God called so? Because it is God alone who causes delivery and brings about the birth time and again. We call a person who always cooks as a cook. We call a person who does tailoring work as a tailor. We call who does business as a business man. We call a person who delivers letters as a postman. We call a person who delivers milk packets as a delivery boy. Likewise, when we call our God as “One who brings the time of birth” and “the One who causes delivery”, we too can expect the same from God.

It is usual for me to ask anyone who comes to me to pray for a child as, “Have you ever praised God with this name? Have you ever given thanks and glorified him?” I have seen that many of them do not even know that there is a verse like this. Most assuredly I say to you, when you praise God with the knowledge and revelation about this attribute of God, and when you confess it as a promise and pray, God will surely do a miracle. The God who brings you to the time of birth, will cause you to give birth. The God who opens up the womb will cause you to deliver. There is no doubt in that. Our God is a loving God. He knows our agonies. The God who knows our needs, is all able to grant them. Not only that, He loves to do that. Therefore, my dear couples, those who have faith and want to have children, keep your hands on this verse, (Isaiah 66:9) and pray together.

God will surely acknowledge your faith by granting a child. Receive your miracle. Live a blessed life. Heaven and earth may fail; but His words never change. He is true to His words. God will grant you according to your heart's desire. May the eyes of the Lord which run to and fro throughout the whole earth, to show Himself strong on behalf of those whose heart *is* loyal to Him, look to you and command blessing upon you. May the name of the Lord be glorified! Amen.

time the child will be one year old and you will have less difficulty”. We agreed with him and proceeded to Ooty. From Ooty we touched Mysore, Bangalore, Hyderabad, Vijayawada, Vishakhapatnam and reached safely to Bhubaneswar on May 25, 2002. It is pertinent to mention here that our relatives were also concerned about us. My cousin brother who stays in Bangalore and where we had stopped overnight, asked me as to what happened in the prayer. I said confidently that we would attain parenthood in a year's time. The same question was asked by my co-brother who was in Rourkela and I gave him the same reply. In fact we were bubbling with faith and were very sure of being blessed in a year's time. However, it may be pertinent to mention here that we all are human beings and most of the time worldly things prevail upon us. I too did not go by the word of God which says “Trust in the Lord with all your heart and do not lean on your own understanding.” (Proverb 3:5). Hence I complained Brother Selvaraj at the end of May, June and July months that there was no sign of baby. I was using my mind that if this continues then how shall we become parents in one year time? Brother encouraged me from the Bible which says “For as the rain and snow come down from heaven

She then informed him of our arrival and brother Selvaraj came back to our place after an hour. Meanwhile, my mother and mother-in-law were given a room for taking rest. Brother Arul Selvaraj soon after reaching and without getting into any formality asked us straight whether we want a boy or a girl child. I said in a lighter way that twins will be better. He said OK. Then we discussed among ourselves and said “a boy child”. He then said that we need to fulfil one condition before he prays for us. I started thinking what could be his condition? He told us his condition “After one year we will have to give testimony along with our son in his church at Chennai”. I asked “Anything else”? He replied “That’s all”. I told him that we were ready to fulfil the condition. Then he made a simple prayer for about 2 minutes based on Isaiah 66:9 and said that we seal this prayer in Jesus name.

By this time the lunch was ready. We had lunch together and proceeded to the car. Before getting into the car, brother Selvaraj said “Brother Samad, if you come to Chennai after one year, it would be difficult to travel with little baby from Bhubaneswar to Chennai. Hence you come after two years. By that

2. God’s Desire – God’s Will

I had been to a particular town for ministry. There, a lady requested me to pray for her. She had been married for 10 years, but, she did not have a child. So, she asked me to pray she may have a baby. The God who listens to prayers, looked upon that lady. Within a year, she had a baby. I give God all the glory! From then on, whenever I went to that particular town, many barren people came to me to pray. Once, a pastor from that town said something, that will always be in my memory. He said, “Few months back, when you came here, many childless couples came to you for prayer. All of them are pregnant now! I think our church will be full of these people!” This made me laugh. And at the same time I was surprised. Glory be to God.

The Bible says that children are gift from God. If we study in depth about the nature of God, we begin to understand that His will for us is to multiply. Yes, His desire for mankind is that they should multiply. Whenever God revealed Himself to His people, He blessed them to be multiplied. We see this many times in the book of Genesis. After God created the first man Adam, He blessed them saying, “Be fruitful and

multiply; and fill the earth.” After the floods during Noah’s time, when all the people on the earth perished, God made a covenant with Noah, and said: “Be fruitful and multiply, and fill the earth.” God promised Abraham, Isaac and Jacob, saying, “I will bless you and multiply your descendants”. When the Israelites stayed in Egypt, they multiplied greatly till a king who did not know about Joseph came up. Though the Israelites were numerous, Moses said to them:

¹⁰ “The LORD your God has multiplied you, and here you *are* today, as the stars of heaven in multitude”.

¹¹ May the LORD God of your fathers make you a thousand times more numerous than you are, and bless you as He has promised you!” (Deuteronomy 1:10-11)

In the New Testament we see a similar multiplication of the first church. On the first day, 3000 people were saved. Then 5000 people were saved. Later, we see that the number of disciples multiplied as days went by.

As our God is the ‘God of multiplication’, He has promised, “No one shall suffer miscarriage or be barren in your land; I will fulfil the number of your

places of tourist interest while returning back to Bhubaneswar. Then it was decided to meet him in one of his friend’s house on the way to Ooty about 10 KMs from Coimbatore between 9-10 AM on May 20, 2002. When I was leaving his room, brother told me that devil would try its best to stop me since I was trying to come in the presence of God.

On May 20, 2002 there was delay in leaving Karunya Nagar. We travelled for some time and located the place where it was planned to meet brother Arul Selvaraj. By that time it was 12:00 noon. Since we were already late for Ooty, Smita said that we should go straight to Ooty where flower show was going on. Prayer could be done anytime later. I remembered the words of bother and told her that this is the voice of devil which is using your mouth and speaking like this. My mother and mother-in-law said that there is no problem in stopping for some time since blessing for family is more important than flower show. So we came out of the car and knocked the door. Arul Selvaraj friend’s wife opened the door for us and respectfully took us inside. The lady told that brother waited for long and on receiving a phone call from somewhere has gone to that place for prayer.

One night, I was taking dinner around 10 PM in the mess and by the time all had left the place. I could see that barring me only one brother at a little distance was taking dinner in the mess. After finishing dinner, he passed through my place and after sometime came back and asked “Brother, you do not have any child? I said “No, I do not have”. On hearing this he questioned “Do you want a child?” When I said yes, he told me the hostel name and room number where he was staying and requested me to meet him in his room. I was puzzled as to how was he aware of my situation. Somehow I completed my dinner and rushed to his room. On reaching his room I saw that he was in prayers. After some time he called me inside and we started talking. When I told him about the surgery my wife Smita had under gone etc, he just said that he is not interested in knowing those details since God knows everything. We are only required to put forth our demand to Him like a child. The other things like how to fulfil our demand is best known to the Almighty God. Since the discussion was going on between he and me only and my wife was not present at that time, he asked me to meet him at a different place after the programme was over. Then we talked about our plan for visiting Ooty/Mysore and other

days” (Exodus 23:26). Moreover, in Deuteronomy 28:4, He says, “Blessed shall be the fruit of your body, the produce of your ground and the increase of your herds, the increase of your cattle and the offspring of your flocks.”

When we look at all these verses, it becomes very clear that multiplication is God’s desire and will for us. This is the reason why God spoke so, whenever He met them. Therefore, those who want a child should not pray with doubt saying, “God, if it is your will, please grant me a child.” Instead, pray boldly and say “Lord, do it as per your word.” You should not remain ignorant and discouraged saying, “Who knows whether it is God’s will for me to have a child or not. Let Him give at His own time. Let His will be done.” You should never think that God may not give all the times. It is the perfect will of God for you to be a happy parent. You need not have any doubt about this.

God is good. He will definitely perform a miracle in your life. Do not be troubled that years are rolling by. Never be fearful that you will be like those who have had similar problems and have remained childless. Do not be anxious that you may not have a baby due to your physical weaknesses. God is bigger than all your problems. Every problem, situation,

sickness and lack has to bow down before the name of Jesus. Delays cannot stop God's will. So, ask God with bold faith. Receive with joy, because our God is a 'God of multiplication'. It is His perfect will for you to multiply! Amen.

time we were informed that my mother in law, Smita and I were selected for the programme. As per schedule, we had to attend the programme in Karunya University, Siruvani during May 10 – 19, 2002. By this time we realised that when we try to come close to the Almighty God, the devil tries all the more to stop us. After selection for the programme, when we tried for train tickets, we could not get. Taking everything into account we decided to perform our journey by our own car. We celebrated birthday of Smita along with our believer friends and church members in our flat at Bhubaneswar on May 3, 2002 and next day morning we four including my mother and Smita's mother started journey for Karunya Nagar, Siruvani, Coimbatore. Everyday we covered around 500 KMs before taking rest in hotel / our guest house. We started from Bhubaneswar and halted at different places viz. Vishakhapatnam, Guntur, Chennai, Bangalore, Coimbatore and finally reached Siruvani. The programme was for ten days and there were more than 1000 participants. Stay arrangements for men and women were separate due to which we were unable to see each other. During these ten days period Lord blessed us abundantly with gifts of the Holy spirit.

upstairs or downstairs kept on celebrating birthdays of their children but we were never invited since we had no child. Under those situations, we used to go on long drive and after having dinner somewhere outside come to our flat around 1-2 AM so that the celebrations would have been over by that time. But one good development took place during this time. We grew in the presence of Lord. We grew in the faith and realised that there is limitations for man but nothing is impossible for God. We got a feel that God was dwelling amongst us. Many pastors and servants of God visited our house in this period of testing time. Every person who visited our house prayed to the God with compassion for blessing of a child in our family.

In January 2002, one brother came to our house. After spending time in prayers he suddenly asked why not we make an application for attending Power Ministry being conducted by Jesus Calls Ministry? Later he arranged for ad for the same which was appearing in Jesus Calls magazine. We were convinced and we immediately planned for the same. Later on we came to know that so many brothers and sisters had applied for the programme. After some

3. God of Abraham

Our God has many names. He has always revealed Himself through different names. Every name is unique and each of them reveal God's nature.

Israelites addressed Him many times as "God of Abraham". We read in Hebrews 11:16, "Therefore God is not ashamed to be called their God." This shows that Abraham was worthy enough, so God could be called as "God of our forefather Abraham".

Abraham and Sarah lived as a childless couple for many years. At this juncture, God called Abraham. Without knowing where he was heading and without giving a thought to what will happen in the future, he started his journey trusting the One who called him. God brought him to Canaan and promised to give him the extent to which he treads and sees. When Abraham received such promises, he was childless. Though Abraham rejoiced over all these promises, he always had the anxiety of being childless. His heart would have longed for God's word saying, "Will not this God who speaks of these great things, say a word for my childlessness?" Many times, even in our lives too, when we have some serious concerns, God would be talking about some other issue. But, one thing is for sure. The

God who knows your need will definitely grant you an answer. In due time, we will receive an answer for that too. He is not a God who ignores things. He will surely reveal Himself at the right time and answer all our prayers. In the path of my ministry, I have seen many who share amazing testimonies of miracles they have received. Once, a precious brother had come to our church along with his family to deliver God's message. Another family had also come with him. During the sermon he showed us a boy from that family, who was born to them miraculously after 13 years of marriage! The boy was a gift to them we were surprised from God.

“Delight yourself also in the Lord, and He shall give you the desires of your heart”. (Psalm 37:4)

Let's see what they have to say about their miracle child:

‘Like most of the happily married couples, we too thought that child birth is a very natural phenomena. But, it was not so for us. We had to wait for 12 years.

Long-time wait: Abraham had to wait for 25 years before giving birth to Isaac. Even Hannah had to wait for Samuel. Though God had given promises regarding the blessing of child to us, we had to wait for 12 years for “Juda”. Those days were filled with tears and agony for us.

surgery were forwarded to Mumbai seeking opinion of gynaecologists. So many tests were carried out. There was no encouraging reply from anywhere. By going through the reports of surgery, we were even told by one doctor “Even after having this type of report you are dreaming of attaining parenthood?” In one hospital, after diagnostic laparoscopic test the doctor explained that her fallopian tube has been blocked in many places. This would have been rectified if the blockage is on either end of the tube. She then said “Arrange for Rs.2.50 – 3.00 lakh first then we will try another surgery.” In reply to my question about success rate after spending that much of amount, it was indicated at 2-3%. The effects of visits to different hospitals with no encouraging report and culminating into arrangement of big sum for surgery with hardly any chance of success affected my wife deeply. This is the time she said “Lord! I will give this money to you rather than giving it to doctors since you are the doctor of doctors.”

When we were passing through these situations, we felt that we were not acceptable socially in all places. The families of the apartment where we were staying in Bhubaneswar either on same floor or

outside. Then, the doctor started conversation and said that Smita has recovered and she can resume her duties if she wished. I was pleased to hear this. Then he indicated me to take a chair and questioned “How am I feeling?” I replied that I was happy and thanked him saying that their team did a good work due to which my wife is with me and now she has recovered enough to resume her duties. Subsequently, Dr. Das said that we pass through difficult times in our life and we need to handle those situations patiently. He continued saying that he has seen that type of patience in me while staying in the hospital. He then mentioned something which I will reveal later.....

Smita then flew to Kolkata and then travelled to Rourkela, her place of posting and resumed her duties. In May 1998 I was transferred to Bhubaneswar. Smita also got transfer and joined me in Bhubaneswar in the year 1999. During this period we were leading a normal life. It is but natural that everybody wants to see his family growing. Smita and I were not exceptions to this. In fact families of both sides were more worried about us. We visited different hospitals located in Ranchi, Bhubaneswar, Kolkata etc. so also all the reports related to her

God told us very clearly that doctors cannot help us in this regard. In this situation, only God can do a miracle. It was very hard for us to explain to people that medical help cannot benefit us in anyway. We were waiting on God for His timing.

Waiting time is not wasted time: During the waiting period, God taught us the value of children and their importance through many Bible verses and through servants of God. We learnt how to bring up a child for God. At that time, I made a vow that if God gives me a boy baby, I will grow him up for God's service.

I delighted in the Lord: God used us in His ministry. We both went to many places and taught little children from the Bible. By the Grace of God, we could serve the Lord with joy na dintegrity. We never lost our hope'.

That miracle!

'God enabled us to conceive without any medical help. In those days of pregnancy, God sent His help through many people. At last, on 26th November 2010, "Juda Jeson Samuel" was born. We named him "Juda", as we want everyone who hears the testimony of his birth to praise God!

We would like to encourage all who are looking forward to receiving a miracle from God that, "God is good. He is

faithful. He fulfills all His promises. He will do everything beautifully in His time. Wait patiently with hope believing that God is faithful. This is a time for His work; not to worry” (Psalm 37:5).

May the God of hope strengthen you. We glorify God and thank pastor for granting us an opportunity to share how we stood firm in faith and received the miracle’.

God fulfilled His promise to Abraham, almost after 25 years. But, He(God) was constantly reminding Abraham of His promise. May be God’s promises have not yet come to pass in your life. But believe when God reminds you of the promises. And Inherit your promise at the right time by giving thanks.

Dearly beloved, God will surely fulfil His promises. Thank Him and glorify Him. Will not the God who has given life to nearly 700 crores of people, fulfil His promises for you? Praise God and rejoice for the miracle that is about to happen at the right time.

A few years back, we had been to a particular country as a team. A man of God had invited us to his house for a feast. I was able to sense that the couple who hosted us were a bit elderly. During prayer time

family. At this crucial juncture it was more important to tackle the situation prevailing at that point of time. I was informed by the doctors that an immediate surgery was required to remove the cyst which was burst. Since I was far away from my native place, I consulted some of the doctors of our family circle over telephone. I was told to give consent for surgery since the time was short and it was more important to save Smita at that juncture. Then, with a heavy heart, I gave consent in writing for carrying out surgery. A team of eight doctors under the leadership of Dr. Das carried out surgery which continued for about four hours and thanks to Jesus that everything went on well and Smita regained consciousness after about ten hours. We all viz. my friends and our known people of Guwahati rejoiced seeing her regaining consciousness. After ten days of surgery, Smita was discharged from the hospital and we reached home safely. Subsequently, as a post surgery follow up, I took my wife to hospital regularly as advised by the doctor. During one of such visits, when we were leaving the chamber of Dr. Das, I just turned back to close the door gently. Then I was called back by the doctor. By that time Smita was already out and was with one of our family friends who was waiting

Bible says “It is not good that the man should be alone; I will make him a helper comparable for him (Genesis 2:18)”. Accordingly, I was married with Smita on October 25, 1995. From the worldly angle, a good family. Both working as officers in different organisations of Government of India. The time passed by. In the year 1997, my posting was at Guwahati. One night, Smita had unbearable stomach pain. The doctor was called at home. After preliminary examination, he suggested that she should be admitted in a good hospital immediately. With great difficulty, passing through first, second, third hospitals....., I could finally managed to admit her in Down Town Hospital. After carrying out many tests, the team of doctors arrived at a conclusion that a cyst in her ovary had burst out due to which poison started flowing in her body which was causing unbearable pain in her stomach. The situation was grave and decision was to be taken very fast for further line of treatment. During this intervening period, many doctors and nurses inquired about my family size which was an indication that there would be difficulties in having blessing of a child in my

I was requested to pray. As I came to know that they were childless, I prayed for that too.

Our God is a God who blesses His children. When God went to Abraham, Abraham hosted Him with a wonderful feast, and God said, “I will certainly return to you according to the time

of life, and behold, Sarah your wife shall have a son” (Genesis 18:10). The same God blesses His children as they host His ministers. Even Lord Jesus has said, “He who receives you receives Me, and he who receives Me receives Him who sent Me” (Matthew 10:40).

What a surprise! After many months, they sent me a photo with their twin children through e-mail. They were posing very happily! All glory to God!

God will surely bless you too who honors God and host the people of God. God has an account of everything you do. Very soon you will receive His rewards. Stay in faith. God of Abraham is your God. He will do as He has said. Amen.

4. Miracle for the servants of God

Around the world, we come across many testimonies which establishes the Truth that Lord Jesus is alive even today!

Our God is a good God. He always does good things. In the beginning of The New Testament, God does a miracle. It happens in the house of a servant of God.

5. There was in the days of Herod, the king of Judea, a certain priest named Zacharias, of the division of Abijah. His wife was of the daughters of Aaron, and her name was Elizabeth.

6. And they were both righteous before God, walking in all the commandments and ordinances of the Lord blameless.

7. But they had no child, because Elizabeth was barren, and they were both well advanced in years (Luke 1:5-7).

In this Bible passage, we read about a couple Zacharias and Elizabeth. Zacharias who was serving God then, was childless and both of them were well

advanced in years. There was no way they could have a child. But, for God, everything is possible. God proved it in their lives. He foretells through Gabriel about the gift of a child to them.

Even today, many servants of God who are childless are just longing to receive their miracle baby. You the reader may be in such a situation now. Maybe you are thinking, “I am well advanced in age. My partner is also getting old. Will a miracle happen or not? Is it so necessary to do ministry with this lack? When no miracle happens for us, what is the hope that we can give to others? When we pray, many receive miracles. But, we do not have a child.” You may be disturbed by similar thoughts.

I want to tell you something. God has not forsaken you. God is mindful of you. He will surely bless you. God has purposed to do a miracle for you. This is the reason why you are reading this book.

In 2012, I had been to a particular city for ministry. Many heard God’s word and were blessed. And many came forward for prayer. As usual, many childless couples also came forward. Among them, were an elderly couple who were doing ministry. I shared many testimonies and prayed for them and

Are you blessed by this book?

I praise God knowing that many who read our books have been blessed. I glorify God for the testimonies that were shared with us. Many of them promised wholeheartedly that they would come forward to support publishing further books. I convey my thanks to such partners of this ministry. May God bless you according to the desires of your heart.

About the Author

Rev. Dr. P. Arulselvaraj, the author of this book was born in a Christian family in South India. He got saved in his youth and was guided by the Love of God. He was in a secular job for 8 years. Due to the call from the Almighty God, he resigned his job in the year 1994 and entered into full time ministry. Since then he has a pastor at “All Nations House of Prayer” a church in Chennai, South India. Many people from various countries have also been blessed by undergoing Bible course through correspondence conducted by “Power Bible College” run by him. Many have been blessed by listening to his messages on Television. God has used him mightily in many states of India and in abroad. His previously published books loaded with profound Truths, have been a great blessing to many. He resides with his wife and two children in Chennai, India.

told them that God will bless them according to Isaiah 66:9.

In 2013, I went to the same region again for ministry. This couple came to me for prayer once again.

I gave them words of hope and prayed for them.

God is a miracle-worker. Usually, after prayer, many couples come with a child within a year and share their testimony. A few of them, after receiving a miracle, they do not have a heart to share their testimony and a few of them, even forget. But, this couple had come forward again for prayer with hope. In 2013, when they came for prayer, I told them, “Next time when I come, I will see you as 3 persons.” They took hold of these words very strongly. After this, I suppose it was their wedding day and their pastor went to their house to pray. When he prayed, he also said, “On your next

wedding day, you will be celebrating as 3 persons.”

What a miracle! In December 2014, I had been to the same region for ministry. I was wondering if the same couple would come to me for prayer again. On 13th December 2014, it was the second day of the meeting. I was seated on the stage in the church. As I expected, the couple had come. Surprisingly, the lady had a small baby in her arms. As soon as the meeting was over, she came forward to testify. The baby, was born to them 20 days back. So, they testified God’s miracle and glorified God’s name. I too prayed for their blessing. Hallelujah! God is good. The same day afternoon, as I was talking with that church pastor, I asked the background of this couple. He told me that they were married for 7 years and have remained childless.

prayed to Jesus and trusted Him a lot. Whenever we were worried about the baby we used to call the Pastor and he would pray for us. With the help of God everything went fine and we overcame all our fears about the baby. Pastor assured us that nothing could harm the baby because it is the gift of God and God would give us the best and would always protect us. After 10 months, God blessed us with a healthy baby girl. Glory to God.

This sister who requested prayer for the child in 2014 came testifying with the child in 2016 in KL Malaysia.

God blessed them. They are blessed with a child in the month of July 2016. Thankyou for your prayers for the ministry in Malaysia.

Moreover, when he told that the husband might be around 55 years and the wife might be around 40 years, I was taken aback! Glory to God! God is good. He still does miracles! Are you too in such a situation? God is not a respecter of persons.

God is the same yesterday, today and forever. The same God who did a miracle for this couple, who were serving Him, will do for you too. The God who did miracle for Zacharias and Elizabeth will do a miracle for you too. You will surely have a child. And your descendants will be blessed in this earth. Will you write your testimonies to us? You may, take a photograph of both of you today. As soon as you give birth to a child, take a photograph along with your child, and write your testimony to us. God will surely bless you and cause you to be a blessing to many.

When you glorify God with a thankful heart, you will receive many more blessings from the hands of God. I bless you to receive abundant blessings. May God multiply you.

in Boston. USA.

Mrs.&Mr. Pratap with
baby girl. (2016)

My name is Pratap and my wife's is Mrs. Pranitha. We live near Boston in the United states. We would like to share our testimony of the miracle and blessing from of the Lord.

My wife had a miscarriage and we were waiting to get pregnant again. we were worried and were waiting eagerly for almost a year. Meanwhile we heard from one of our friends Sam that Pastor is visiting their home and he asked us that if we would like to visit their home and meet pastor. We immediately said 'Yes' and visited their home and met pastor. We told everything to pastor and pastor prayed for us and assured us that we would hear good news in a few months and would celebrate next christmas with the child. We believed all that the Pastor said and prayed to God. Soon the next month my wife conceived we were so happy that we thanked both pastor and the Lord. From that moment onwards we

He used to pray for us. One fine day, he told us, “I know a pastor. He is Pr. Arul Selvaraj. He is specially gifted to pray for the childless couples. You go and meet him” As per his word, we visited the pastor. He prayed for us to be blessed with a child. On 4.4.2015, when we met him in his church, he said, “Before 4.4.2016, you will give birth to a son.” As per his word, on 26th March, God blessed us with a beautiful son. Just as he told us to do, we both confessed Isaiah 66:9 and prayed every day. Now, we have tasted its fruit. We are very grateful to God who blossomed our life. We are thankful to Pastor Arul Selvaraj and Sis. Suganthi for praying for us to be blessed with a son according to our desire.”

5. From Curses to Miracles

There are many reasons for childlessness. One of the reason is curse. If there is more than one person without child in a family, it is a curse. There are a few people who come under curse by doing things that leads to curse. And there are others who come under curse ignorantly. Such people receive blessing when they get delivered from the curses. We read about Blessing and curse in Deuteronomy chapter 28.

(a) Blessing

“Blessed shall be the fruit of your body, the produce of your ground and the increase of your herds, the increase of your cattle and the offspring of your flocks” (Deuteronomy 28:4).

In the above verse, note the words “fruit of your body”. When there is Blessing, the fruit of your body is also blessed. God will satisfy you by granting the desires of your heart because He is a God of multiplication. His desire for everyone is to multiply. In the Bible we see God pronouncing the Blessings of multiplication on Adam, Eve, Noah, Abraham, Isaac, Jacob and the Israelites. Moreover, God says, “No one shall suffer

miscarriage or be barren in your land; I will fulfil the number of your days” (Exodus 23:26).

So, there will be no miscarriage or barrenness among Israelites. The blessing in this verse is for us also because we are spiritual Israelites.

15. But it shall come to pass, if you do not obey the voice of the Lord your God, to observe carefully all His commandments and His statutes which I command you today, that all these curses will come upon you and overtake you:

16. Cursed shall you be in the city, and cursed shall you be in the country.

17. Cursed shall be your basket and your kneading bowl.

18. Cursed shall be the fruit of your body and the produce of your land, the increase of your cattle and the offspring of your flocks . (Deu 28:15 18)

From these verses, what do we understand? When you do not obey or transgress God’s words, this force of curse will operate and therefore the “fruit of your body” will be cursed.

I know a particular family. The couple were married at the right age. The boy was working in the army then. And the girl was studying in an Engineering College.

Testimony from a reader of the pre-press copy of this book.

A Miracle Baby...after 19 years!!

“My name is Marshal Daniel. My wife is Mrs. Selina. We were childless for 19 years. There is no temple left that we have not visited, from Kanniyakumari to

Kashmir in India. There is no hospital that we have not gone to. But, all this did not take care of our need. Therefore, our whole family was immersed in grief. When I couldn’t see any way before me, some of my friends invited me to church. I went with them. When I asked my wife to come to church, she refused to come. One day, I took her to church in the pretext of going to a friend’s birthday party. She came along with me. That was a turning point in our life. Both of us were saved and we took baptism. Later, through some of my friends, we met a servant of God, Basheer.

though they did. What could be the reason for Him to be cut off? It is to become satisfied by seeing His generations. He was cut off on the cross so that people who are nothing and neglected will arise and shine. He who had long life and He who is the beginning and the end, and Alpha and Omega, was cut off on the cross for those who are not yet born. He will surely beget His generations as sure as He was cut off. Therefore, it is written, "Who can declare His generation?" It is a non-existent generation who were begotten by Jesus being cut off on the cross.

Therefore, even today, we can pray with faith and boldly confess saying, "As Jesus was cut off on the cross for me, I will surely see His generation in my life." As "Children are a heritage from the Lord" surely you will receive this inheritance. "The fruit of the womb is a reward" (Psalm 127:3).

And, the prophet Isaiah when he describes the Lord's sufferings on the cross also says, "He shall see the labor of His soul, and be satisfied..." (Isaiah 53:11).

I think, as you are believers, Lord Jesus will be satisfied only when He sees a miraculous baby in your hands.

So, more than your desire to have a child, Lord Jesus who became a sacrifice on the cross is more desirous and He will surely grant you a child.

I congratulate you in advance for the miracle you are about to receive from the Lord. I thank God right now for the fruit of your womb which will satisfy God, as it is His labor. May God bless you and your generation.

So the girl continued her studies after getting married. Soon after marriage she conceived. As she had the burden of completing her course and as she felt uneasy to attend classes as a pregnant woman before her friends, she aborted the baby. After finishing her course, she desired to have a baby. But, she was unable to conceive. At this juncture, I happened to be there and was teaching on "How to break curses". This particular girl came to me for prayer. She confessed that she did it out of ignorance and repented for her action.

Killing a fetus in the womb in the name of abortion is an abomination to the Lord. It is not acceptable by God. Some may think, that when a child is born and has been given a name, it has life. It is not so! The very moment it is formed in the womb, God breathes His life in to it. An attempt to kill a fetus which cannot protect itself from the murderer is a cursed action.

18. 'Cursed is the one who makes the blind to wander off the road.' "And all the people shall say, 'Amen!'

19. 'Cursed is the one who perverts the justice due the stranger, the fatherless, and widow.' "And all the people shall say, 'Amen!' (Deuteronomy 27:18-19)

What do we understand from the above verses? When a person wrongs a weaker person, and the victim is unable to express the injustice he has suffered, curse will come upon the wrong-doer.

As a fetus dies during the process of abortion, which may have been done intentionally or unintentionally, the scream of the fetus will bring a curse on concerned persons.

I explained, to that girl about how the death of Jesus on the cross breaks every curse, and I prayed for her. God is good. He forgave them. The very next year, she came with a child and shared her testimony.

In 2014, when I went to their house, she was a mother of two children. I cannot forget what she said – “Pastor, we are very happy and peaceful with these two children given by Lord Jesus.” We glorified God together.

Are there any curses of this kind operating in your families, knowingly or unknowingly? Are you barren due to curses? Do not be troubled. God will change your

End Note

Jesus and Generations

He was taken from prison and from judgment, and who will declare His generation? For He was cut off from the land of the living; For the transgressions of My people He was stricken (Isaiah 53:8).

The prophet Isaiah who was called as “Messiah’s Prophet” describes the forthcoming sufferings of Jesus on the cross. He prophesies very elaborately the sufferings, Lord Jesus Christ is about to undergo when he says – He was wounded for us, broken for us, bore our sorrows, oppressed, suppressed, neglected. At this point the prophet says,

“For He was cut off from the land of the living.” Yes. Why was Lord Jesus cut off from the land of the living?

He was cut off so that people who are still to be created and to be born, to come into this land of the living.

He was cut off so that those who believe Him will live. He was cut off so that He will be satisfied, seeing His descendants. Who will declare His generation!

He who said, “I am that I am” and always existed was cut off on the cross for us. The one who is the same yesterday, today and forever was cut off on the cross. It is Lord Jesus Christ who finished everything for us on the cross. He calls those things which do not exist as

He is a God who creates. He calls things which are not, as though they were. There is no miracle that He cannot perform. No purpose of God can be withheld.

God performed a wonder for Manoah and his wife. Samson was the child they gave birth to. Samson became a saving judge of that nation. There was peace in the nation because of Samson.

God's eyes are looking with joy at you who are praying to Him with faith. God loves to reveal His power to you when you trust Him with all your heart. Not only that, God will bless the society through your child. You are heroes. You are born to achieve. That's how God looks at you. I greet you also the same way.

All your children shall be taught by the Lord, and great shall be the peace of your children (Isaiah 54:13).

curses into blessing. The God who did a miracle for this family will do for you too.

So, do not worry. God will surely bless you. This is the reason why this book is in your hand now. God's desire for you is that you must embrace a child very soon. You can meditate on Galatians 3:13-14 and break the curse and pray (If you want more details on this topic, get a copy of our previously published book, "The Cross of Jesus & from Curse to Blessing")

It is of no use to condemning yourself or blaming others for an action done unintentionally or under compulsion by others. But, "Know the truth. The truth will set you free." That's why even today, God is revealing these truths to you. In due time, you will have a child. Testify along with your child to others. And do not forget to share your testimony with us also. Let's Glorify God together.

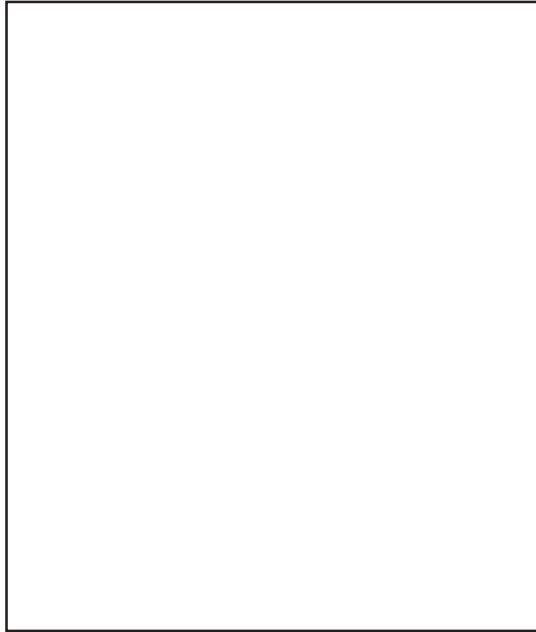

According to the following verse, God will bless you.

"Here am I and the children whom the Lord has given me! We are for signs and wonders in Israel from the Lord of hosts, who dwells in Mount Zion" (Isaiah 8:18).

it, do not be afraid. All things are possible for God. All things are possible to the one who believes. Stay in faith. God will surely do a good thing.

Once, after the service was over in a particular church, a couple came to see me. “Do you remember us?” they asked me. I said, “No”. A year back, when I had been to preach in that church, they had come to me for prayer. But, the wife is in full-term pregnancy. On seeing me, they came to meet me with great joy. They said that the next day the baby was due. I enquired about their background. They said that they did not have a child for nearly 7 years. Moreover, in a surgery that was performed on her, the doctors had cut the tube that leads to the uterus. So, it was impossible for her to conceive naturally. But, our God is good. No one can hinder what He wants to do. God formed the needed organ and also helped her to conceive. The next week also I went to the same church to preach. As soon as the service was over, the husband came running to me. In one hand, he brought the baby’s photos, and in other hand, he brought his offering. His face was full of joy as he had become a hero who received miracle. He conveyed his thanks by giving offering. We prayed to God and gave thanks. Our God is an amazing God.

that, the child would be an achiever, history-maker and a blessed child for the whole nation. God always gives good things and best things, to his children.

Once, I went to a city for ministry. The leader's son of a nearby village did not have a child for 10 years. So, they had asked him to come to me for prayers. When we went for lunch to an officer's house, the man and his wife came there. As usual, I shared some testimonies with him and prayed for him. The servant of God who called me was trying to build a branch church in that village which was under the control of this man's father. Previously, he had a small piece of land outside the village. But, he who came for prayer helped in building a church at the centre of the village without any problem. God blessed that couple too. Even though it had been 12 years since their marriage, God blessed them with a child. Glory to God. God knows your good heart too! The God who knows all that you have done for Him, ministries, ministers and all that you are about to do, will surely bless you too.

Some people think that their problem is too big, and that "God will set right only small things. When the doctors have given up saying, there is no possibility of a child, God can not do anything about

6. No more delays

You will keep him in perfect peace, whose mind is stayed on You, because he trusts in You (Isaiah 26:3).

Beloved, you will be surely blessed when your mind is stayed on Him. You will receive His goodness. There is no doubt about that. Usually I say, "If you are born again, God will certainly give you descendants. No one can hinder this blessing out of your marriage." Some couples, who are believers, when there is a delay in conceiving, immediately go for various treatments. But some couples, in spite of delays, are not shaken, but hold on to their faith in God and receive their blessing, by patiently waiting on Him.

In my 20 years of ministry, I have seen many couples being blessed with children after praying for them. I thank God for this special gift given to me by his grace. I rejoice in the Lord when I see them Blessed with children. I give Him all the Glory.

If there is a delay in conception, do not condemn yourself. Do not condemn your partner either. When both of you are born-again Christians, God will do a miracle at the right time. Never be unbelieving that you will remain barren. We read as below about Abraham:

18. who, contrary to hope, in hope believed, so that he became the father of many nations, according to what was spoken, “So shall your descendants be.”

19. And not being weak in faith, he did not consider his own body, already dead (since he was about a hundred years old), and the deadness of Sarah’s womb.

20. He did not waver at the promise of God through unbelief, but was strengthened in faith, giving glory to God,

21. and being fully convinced that what He had promised He was also able to perform.

(Romans 4:18-21)

In Abraham’s case, he was 100 years old. His problem was different. Both Abraham and Sarah were past their bearing age. But Abraham did not consider this as a barrier to receiving their promised child from God. When Abraham can give no thought to his problem or his wife’s problem, why can’t you as believers stay that way? Glorify God by trusting His promises that are given to you. They will surely come to pass. More than any hypothesis of any man, God’s words are very powerful. He will fulfill what He has

Manoah, not only believed without doubting, but also went to the next stage of giving thanks. We see that God had accepted his sacrifice. As soon as we get the word, when we give to the Lord with faith and thanks, God acknowledges it.

Once I was preaching this in a particular church. A person who usually doesn’t come to church came that day. He was childless for many years. He had come to church without bringing offering. But, as soon as the service was over, he went home, brought offering and offered it in the church. In the very same month, God confirmed that He has blessed them with the fruit of the womb. Our grateful heart will empower us with faith to receive our miracles.

(c) Thirdly Manoah had the heart to honour God. Then Manoah said to the Angel of the Lord, “What is Your name, that when Your words come to pass we may honor You?” (Judges 13:17).

See the faith of Manoah. He who believed that whatever was told would happen, had decided to honor God. So, he asked His name. God too revealed His name as “Wonderful”. The God who knows the past, present and future knew about Manoah’s grateful heart and promised him a child. Not only

without any doubt after praying for them. How good it is to plan as to how to grow a child! In Proverbs, we read that, “The hand of the diligent will rule.” Therefore, when God promises you something, be diligent. God will bless you.

(b) Secondly Manoah was a giver. Then Manoah said to the Angel of the Lord, “Please let us detain You, and we will prepare a young goat for You” (Judges 13:15).

Firstly, he believed without doubting. Then he went one step further and showed it in action. Receiving the word from God is like receiving the Miracle. For example, let us assume that someone from abroad deposits money in to your bank account. To credit it in to your account and to receive SMS in your mobile number, it may take a few minutes or hours. But, no one can change the fact that money has been transferred to your account. When God says, “I will give,” no one can change that. Sometimes, it takes time to get revealed; but, it will come to pass. That is why, when someone says that they have deposited money in your account, immediately you say, “Thanks”. After the money is credited to your account, again you call them and say, “Thanks.” Here,

said no matter what. So, even if it gets delayed, hold on to Him, receive your blessing and live a glorious life.

Once, a couple who were doing ministry, came to me for prayer. The man sings very well. I have been him even before his marriage. He had sung in a few of the meetings where I preached. After marriage, they did not have child for a few years. So, they came for prayer. I prayed for them and said, “Surely you will have a child. God will perform a miracle. Be of courage. Just keep praising God.”

God is a good God! He is faithful to His words. Not only that, He honors His servant's words also. After a few years, I saw them in one of my meetings. Showing the boy baby to me, she said happily, “Do you remember, you prayed for us? Here is the answer for that.” God is good. We praised and glorified God.

Her name is Susanna, and she belongs to Orissa. Her husband is Yuvaraja. God has blessed His children. The next time, when I was talking to them, I told them, “I remember the

exact day I had prayed for you. Infact I had seen the answer for that prayer. I have both the photos with date.” As usual, I had taken their photo when they had come to pray for the first time. I knew they will surely come back with a child and share their testimony.

Taking photograph of those who come for prayer does two good things. Firstly we will know when we have prayed for the couple. Next, it will increase their faith. As I have many such testimonies in my mobile, I usually show their photo and share their testimony with those who come to pray. This increases their faith as they watch how God answers the prayer. And they also receive miracles. Glory to God.

My beloved couples in Christ, God will perform a miracle very soon. Grow in faith by praising Him. Receive your miracles!

For the vision is yet for an appointed time; But at the end it will speak, and it will not lie. Though it tarries, wait for it; Because it will surely come, it will not tarry (Habakkuk 2:3).

12. Heroes of faith

And the Angel of the Lord appeared to the woman and said to her, “Indeed now, you are barren and have borne no children, but you shall conceive and bear a son (Judges 13:3).

So the woman bore a son and called his name Samson; and the child grew, and the Lord blessed him (Judges 13:24).

What we read above are the words that were passed through an angel to the mother of a famous judge, Samson. The first verse says that the wife of Manoah was barren. She conveys the news to her husband that an Angel appeared to her. When we read the whole of 13th chapter, we get to know about Manoah’s good characteristics. Let me throw light on three of his attributes in particular. Firstly, Manoah did not doubt but spoke with good faith.

(a) Manoah said, “Now let Your words come to pass! What will be the boy’s rule of life, and his work?” (Judges 13:12).

He was never in unbelief about the fulfillment of the promise. Infact, he had plans about how to grow the child. Usually, I too encourage people to believe

7. The end of Sorrowful Days

“For this child I prayed, and the Lord has granted me my petition which I asked of Him” (1 Samuel 1:27).

Hannah made a vow and prayed to God when she did not have a child. She poured out her heart before God. We read that, “her face was no longer sad” in 1 Samuel 1:18.

Generally people of God know about Hannah and her prayers. We see that her rival Peninnah provoked her all the time.

“And her rival also provoked her severely, to make her miserable, because the Lord had closed her womb” (1 Samuel 1:6)

Even today, great is the suffering faced by barren couples. Many would choose to ignore them. They may be not invited for family functions. They may be neglected for “Birthday party” of little children.

God miraculously blessed a family known to me, with a boy child. Doctors had given the report that they will never have a child. But God did a miracle for them. Their sufferings during those 7 years of barrenness was unbearable.

In the apartment where they stayed, if there was any birthday party, it would be hidden from them. They would not be invited. Somehow this couple would come to know of the party. Both husband and wife would go out in their car and travel aimlessly for many hours. When the celebrations and feasting was over, they would enter their house silently. On one side, they longed for a baby and on the other side, they were sorrowful because they were neglected by those around them. The worst of all this was, when people considered curse as the reason for their barrenness. But, God is good. He who thought about Hannah remembered this sister too. Today, He remembers you too.

Your days of sorrow will come to an end. It is not going to last forever. Many couples, who have come to me for prayer and have shared their agony due to the harsh words spoken to them by their relatives. But, God has turned their sorrow into joy and blessed them with a child.

Look at Hannah! After she got an assurance that her prayers were heard, she was no longer sad. Even you need not be sad, thinking all the time about your reproaches and agonies. Instead, stay glad with hope, trusting on God's promises.

While Sis. Smitha Samad spoke about her sister Anju Lakra, she said, "After prayers, even before she conceived a baby, she immediately bought dresses and toys for the baby to-be-born!"

Yes, beloved, Nothing any thing impossible with God. He is a God who multiplies. He does wonders. He will grant you the desires of your heart. Have faith and pray. Reveal your faith in action. Be firm that you will receive a miracle. Receive a miracle. Share your testimony with us. It will be a source of encouragement and hope to those in need. May God bless you. Amen.

But when the multitudes knew it, they followed Him; and He received them and spoke to them about the kingdom of God, and healed those who had need of healing (Luke 9:11).

impossibilities, sister Anju said, “My sister lost 100% chance of having a baby. Yet, God heard your prayers and miraculously granted a baby,” Her faith was very strong “I need a smaller miracle than hers. I too will have a baby.”

I shared many testimonies with them for they had come to pray, with a strong faith that they will somehow have a child. As they already knew the testimony of Sis. Smitha Samad, they were unshakeable in faith. I prayed for them and sent them. “I need a smaller miracle” – Those words got imprinted in my heart. God never sees whether it is a small or a big miracle. He does a miracle to meet our need. God is good. God performed a miracle for this family. They gave birth to a son. After the child was born, this couple sent their photos through e-mail. We praised God. After a few years, she again conceived and gave birth to twins! They had come saying, “that they needed a small miracle but they received much bigger miracles from God!

Perhaps, if you are told that you cannot conceive, don’t lose hope. God will do a miracle for you too.

“Rejoicing in hope...” (Romans 12:12)

“Delight yourself also in the Lord, and He shall give you the desires of your heart” (Psalm 37:4)

Your joy reveals your hope. Always remember that it is your faith that will empower you to receive your miracle and not your sad face.

I wish to say certain things to the relatives of the childless couple – Do not humiliate childless couples. Do not speak harsh words that hurt them. Do not indicate directly or indirectly about their lack. Actually many people offend the childless couple in front of others in the pretext of giving a prayer point. I would say, just pray for them. Stand by their side always. Do not compel anyone to go to a doctor or to any meetings. Convey your concern in a loving way so that they will not be offended. Do not misunderstand delays. Do not talk about unknown things on the basis of wrong assumptions. The Bible clearly says,

“But I say to you that for every idle word men may speak, they will give account of it in the Day of Judgment. For by your words you will be justified,

and by your words you will be condemned” (Matthew 12:36-37).

Once, a particular sister came to our house. She wept to my wife and lamented about all her problems. Being barren for a few years, she was broken by the pricking words of those around her. We comforted her with God’s words. The very next year, she gave birth to her first child. We give God all the glory.

Maybe you are also languishing in agony today. Pour out your heart to God. Stay in hope. Rejoice. You need not be sad any longer.

“The days of your mourning shall be ended” (Isaiah 60:20).

Many years ago , when I was about to leave for ministry from my house, a couple alighted from an auto. They were from Rourkela, Orissa. They were Mr. Aman Lakra and his wife Mrs. Anju Lakra. Though they did not know the language and had come from such a long distance, they came very perfectly with the help of an auto driver.

Mrs. Anju is the sister of Mrs. Smitha Samad, who miraculously conceived and had a child after 7 years of marriage. As Mrs. Anju was aware of her sister’s miracle, she decided to come to our house and meet me. Mobile phones were not in use in those days. They said, “Bro. Samad asked us to give these sweet packets to you” gave, they spoke about many things. I felt that this couple had also come to pray for a child. Almost for an hour, they spoke about various things and at last they conveyed their need for prayer. When they had been married for 3 years, due to some physical problems for this sisters doctors had the doctors told them that she cannot conceive. Even by “Test Tube Baby” method, there was only 3% chance of having a baby. After telling about all their

not put an end to your problem. But multiplies your pain. Moreover, it brings shame and a bad name to parents, brothers, sisters, relatives and friends. When waiting for God to bless you, put your trust in Him completely. In haste, if you take a wrong route which may look easy, but it will end up in an eternal mistake. Being without a child is not sin. The truth is, those who seek God can definitely have a child.

If at all you are in a similar situation and are reading this book, I want to tell you, “Your days of sorrow are over.” God has willed to bless you. This book in your hand is a sign for that. The God who blessed Rachel and gave her Joseph for a son, who then became a great leader and supported the whole world with food, will surely perform a miracle for you too by blessing you with a child.

8. Blessed after healing

You shall be blessed above all peoples; there shall not be a male or female barren among you or among your livestock (Deuteronomy 7:14).

While talking to His people the Israelites, God said, “You shall be blessed above all peoples.” Other people may be in problems. They may be childless. But, when you become His child and trust Him, there is a marked difference between you and the others. That’s why God says, “You shall be blessed.” And he very clearly says, “There shall not be a male or female barren among you or among your livestock.”

When couples are childless, usually the woman becomes the scapegoat. Even if, the man has an inadequacy, the society tries to cover it up, and blame the woman. But, beloved, when you are a child of God, you overcome all these and inherit your blessing.

Whether the lack is with the man or woman, God changes everything. The truth is, when you are a child of God, you can stay blessed by confessing in faith, “There will not be barrenness in either male or female.”

Many years ago, I was delivering God's word through a television programme. My message was "Nothing is impossible for God." As soon as the programme was over, many people contacted me for prayer. But one particular person's prayer point it something that I can never forget. At first, in a mild voice, he said, "We are married for 7 years. But, we are childless." I gave him hope saying, "Do not worry. God has done miracles for many. He will do for you too." He continued with his second prayer point. When I heard that, I was totally thrown back. He said, "Please pray for my HIV disease (AIDS) to be healed." Having never prayed for a person with HIV, I was taken aback. At the same time, I remembered the message which I delivered in the television programme – "Nothing is impossible for God". I assured myself of those words and said that I would pray for him. He was actually staying alone in another country and was working in a bank. He had come to India on vacation and happened to watch my programme. After a few months, he had to return to his work place. And it might take a few years to come back to India again. Therefore, he wanted to confirm the conception before he returned to that country.

Firstly, he must be healed of his AIDS disease. Secondly, his wife should conceive. Thirdly, these two

11. Steadfastness

Now when Rachel saw that she bore Jacob no children, Rachel envied her sister, and said to Jacob, "Give me children, or else I die!" (Genesis 30:1)

Then God remembered Rachel, and God listened to her and opened her womb. And she conceived and bore a son, and said, "God has taken away my reproach." So she called his name Joseph, and said, "The Lord shall add to me another son." (Genesis 30:22-24)

If we want to receive a miracle from God, we should be steadfast in receiving it. When Rachel saw that she was childless, she spoke stubbornly to Jacob that she too wanted children. To be more precise, she asked out of jealousy. She became frustrated when she saw Leah who was given to Jacob by deception, giving birth to children for Jacob; but she herself remaining barren. She felt ashamed, and was filled with agony and self-pity. She thought, that it was "better to die than to live a barren life."

Dear readers "Death is not the end." Infact, suicide takes you immediately to hell. It is eternal agony! It is a foolish act, because there is no use in it. It does

things should happen within the next few months, before he returns to his work!

With the courage that God gave me, I prayed with hope for him. After prayer, I told, “Brother, check your body. God has healed you of your disease.” After a few days, I received a phone call from him. He requested my prayers as he was going for a medical check-up. After the lab results came, he called me again and said, “The virulence of the AIDS disease has decreased a little bit.” Again, before going for the next medical check-up, he called me over phone for prayer. I said, “God never does His work incomplete. You will be completely healed” and prayed for him. After the lab results came, he called me over phone and said. “Praise the Lord Pastor” with a very loud voice, contrary to the mild voice on the other days. I understood from his voice what the good news was. He said, “I am completely cured of AIDS disease.” All glory to God. God is good. We glorified God together. And he stressed his next prayer point, saying that within the prescribed vacation time, he wanted the good news of conception. Our God is a good God. According to the verse, “Whoever has will be given more,” whoever received miracle can receive another miracle easily. A week before he left for work, he called

me once again and said, "Pastor, thanks to God and to you. God heard our prayers. Medical test has confirmed that my wife is pregnant." Hallelujah! our God is a good God. He is a mighty God. He is all sufficient for us. He is a doer of miracles, time after time. He never forsakes those who trust Him. Amen.

Beloved, maybe your challenge is not as big as this. But whatever may be the problem you are facing, God is well able to heal you. He will heal and grant you a child too. Trust Him. Confess with faith, "I am healed by the stripes of Jesus." You will receive a miraculous healing. When you praise Him for whatever you have already received, doors will be opened for you to receive new miracles. It is sure that a grateful heart will receive more miracles.

Whether the problem is with the husband or the wife or both, God will heal and grant a child. Do not forget to share your testimony as soon as you receive a child. Your testimony not only infuses faith in many, but also, paves the way for receiving many more miracles for yourself.

"As in the days when you came out of the land of Egypt, I will show them wonders" (Micah 7:15).

in that you have ministered to the saints, and do minister."

Stay firm in an atmosphere of faith!

Develop an atmosphere of faith!

The Shunammite formed an atmosphere of faith by building an upper room for the prophet Elisha and received miracles. Surely, you too will receive miracle. Share the goodness that you receive from God with us.

I bless and greet you, who are about to receive a miracle and become a testimony for others. Today, you may be going to church as husband and wife. In due time, you will be going to worship God along with your children. You will serve God. Amen.

Advance Congratulations!

"As for Me," says the Lord, "this is My covenant with them: My Spirit who is upon you, and My words which I have put in your mouth, shall not depart from your mouth, nor from the mouth of your descendants, nor from the mouth of your descendants' descendants," says the Lord, "from this time and forevermore." (Isaiah 59:21)

was one thing that drew my attention. She had mentioned that - “We listened to good messages continually.” They received promises. Their pastor had also prayed for them and given them such promises. As they being in a good church and in an environment of faith they,easily received God’s blessing and miracle.

Glory to God! Only the seed in a good and a faithful

heart can produce a hundredfold, sixty and thirty. Therefore, stay firm in an environment of faith. If not create it. Participate in church activities consistently. Be in a good relationship with the pastor.

The blessings that your pastor benedicts upon you are very powerful. It will bring miracles in to your life. Even though, the minister who comes rarely to your church appears to be more anointed and powerful, respect your church pastor and receive your blessings. Let not your role or your ministry or your participation in the church diminish, because, the Bible clearly says in Hebrews 6:10 as:

“For God is not unjust to forget your work and labor of love which you have shown toward His name,

9. Prayer of one accord

Now Isaac pleaded with the Lord for his wife, because she was barren; and the Lord granted his plea, and Rebekah his wife conceived (Genesis 25:21).

Abraham gave birth to the promised child Isaac when he was 100 years old. Isaac got married at the age of 40. Isaac and Rebekah did not have a child for almost 20 years. There is no chance Isaac would have considered it as a big issue, when he himself was born to his parents when his father was 100 years old. With His father Abraham, who was a hero of faith by his side, it is a big doubt whether Isaac would have felt it as a lack. But, for Rebekah, it would have been a very long period of waiting.

Even today, it is the wives who are more concerned and worried about the childlessness than their husbands. Husbands are not very expressive but wives get very upset and express their agony. Here,

Rebekah must have also been in extreme anguish. It is in this circumstance that Isaac who was 60 years old, pleaded with God for his wife who was still barren.

From the scriptures we understand that Rebekah was barren and that was a lack in her life. She could not bear a child. In those days when polygamy was accepted, Isaac lived very happily with his wife Rebekah for 20 years, though they did not have a child. The Bible nowhere says that Isaac underestimated or blamed his wife because of her lack. Instead, he prayed. Though the whole town may speak ill about a woman, if her husband is supportive she will be least bothered about criticisms. Moreover, the Bible says, "Again I say to you that if two of you agree on earth concerning anything that they ask, it will be done for them by My Father in heaven." More than a husband and a wife, who else can pray with one accord! So, as husband and wife, keep your hands on Isaiah 66:9 and pray with one accord. God will perform a miracle for you.

Many years ago, a particular sister who

Though I have gone to more than 15 countries for ministry, I have always observed that many miracles happen in a particular country. In 2003, I went to a country on an invitation from a church to preach. Again in 2005, I went to the same country for ministry. Two persons from the choir drew my attention. They were married for many years and did not have a child. Still, they came continuously with joy to church, made preparations for every service and conducted the service. I prayed for them to be blessed with a child. In 2009, I went to the same church for preaching. As the same couple were worshipping joyfully, I remembered that I prayed for them. After the service, that brother came to me and asked, "Do you remember that you prayed for us to have a child?" "Yes" I replied. "Did you see my child?" he asked. I queried, "Where is she?" He showed her and said, "There she is, playing happily." A beautiful girl was playing there. I thanked God. God is good!

Many were glad after coming to know about this. I enquired that sister about this miracle. She then wrote down her testimony and gave it to me. There

We also observe in this incident the atmosphere of faith which prevailed there, as servant of God often visited them. There existed an atmosphere of faith as they built an upper room exclusively for the servant of God to stay. As they hosted the servant of God continuously, surely he would have shared many truths, testimonies and miracles. Their faith would have increased listening to him. In an atmosphere of faith, miracles always happen easily and in larger numbers. Even during the ministry of Jesus, many miracles took place in certain places. In a few places, nothing significant happened. Atmosphere of faith is the reason! Miracles happen very easily in a faith filled atmosphere. It is very important to keep listening to right truths regularly. It will keep us in an environment of faith.

For example, Let us take an egg. It has life in it. But, they incubate it naturally or artificially. Only when it is in the right temperature for a specific period of time, the bird hatches out. Likewise, to convert God's word in to His goodness towards us, it is essential to keep ourselves in an environment of faith.

It is very important to listen and believe good faith-filled messages which magnifies God and His miracles.

participated in a meeting saw a vision. Though I did not conduct the meeting, I was called for that meeting. In the vision, the sister saw me and another person praying together for her. As she had been without child for a few years after marriage, I understood the reason for the vision. But, I was confused about the other person in the vision. After many months, myself and another servant of God went to that particular region for ministry. After ministry work was over, we went to their house which was nearby. When I prayed for them, I understood that the vision was getting fulfilled. After prayer, the person who came with me said to her, "You and your husband, join your hands and pray. God will do a miracle for you." What a surprise! God blessed that couple with a wonderful boy baby. Glory to God!

Beloved, as children of God, hold your partner's hand and pray with oneness of mind. Keep your hands on Isaiah 66:9 and pray. Surely God will do according to the desires of your heart. When I say "the children of God", I mean the born-again Christians. You may be a generational Christian or you may be a person without knowing Christ. If you are unsure of your salvation, say the following prayer wholeheartedly, raising your voice.

“Loving Father, I believe that your Son Jesus Christ came in to this world as a man, shed His blood on the cross, died and rose on the third day to forgive my sins. By the blood of your Son Jesus Christ, forgive me. I repent. From today onwards, I am your child. Jesus, you are my Lord. Come in to my heart. Bless me and multiply me. Me and my descendants will worship only you. Father, I pray this in the name of Jesus. Amen.”

If you have prayed this prayer wholeheartedly and loudly, you are born-again now. Whoever you may be, now, you are a child of the Creator of this universe. Because, God’s unchanging word says so:

12. But as many as received Him, to them He gave the right to become children of God, to those who believe in His name:

13. who were born, not of blood, nor of the will of the flesh, nor of the will of man, but of God. (John 1:12-13)

What a privilege! How simple it is! you are now child of the most High God. As an earthly father gives every good thing to his child, our Heavenly Father also gives good gifts. to His children. Because, all things are possible for God. It is His desire for you to

among her people. What a wonderful testimonial life! Even today, there are people like her. Even if you do not have a child, you can stay without giving thought to your barrenness. You can refrain from murmuring or grieving over the lack. Not must that, you can even host the servants of God considering their wellness, and support the ministry. You can give thanks to God and joyfully say, “I am well.” I appreciate such people. God too loves such cheerful people.

“For God is not unjust to forget your work and labor of love which you have shown toward His name, in that you have ministered to the saints, and do minister” (Hebrews 6:10).

God is not unjust. Can God hold back His goodness from you who do not consider your own lack, but live thankfully to God and support His work wholeheartedly? It is impossible!

Dear reader, if you are in a similar situation, God is mindful of you and He loves you. He will bless you. “At the predetermined time, you shall embrace a son” – This is the message that God wants to convey to you through this book. Because, God is good. He is not an unjust God!

behalf to the king or to the commander of the army?"
She answered, "I dwell among my own people."

14. So he said, "What then is to be done for her?"
And Gehazi answered, "Actually, she has no son, and her husband is old."

15. So he said, "Call her." When he had called her, she stood in the doorway.

16. Then he said, "About this time next year you shall embrace a son." And she said, "No, my lord. Man of God, do not lie to your maidservant!"

17. But the woman conceived, and bore a son when the appointed time had come, of which Elisha had told her.

(2 Kings 4:8-17)

A wonderful incident has been mentioned here in this Bible passage. Here, we see a servant of God along with his servant often visiting a couple, who had trust in the true living God. Then even made arrangements for the man of God to stay in a small upper room in their house, whenever he passed by. The couple did not have a child but never mentioned this in thier conversations with the man of God. They did not consider it as a lack nor were they sad about it. Infact the lady even said that she dwelt happily

multiply. No one can stop what He does! So, be happy.

In March 2013, I went to a nearby country. A particular couple participated in that meeting. As they did not have child for almost 7 years, they requested me to pray. I too encouraged them sharing many testimonies, prayed for them and said, "Within one year, God will surely give you a child." I took a photograph

of them. As customary with me, I told them one condition – "When the child is born, all three of you should take a photograph and send it to me" and gave them my telephone number and email ID. God is a good God! After a few months, he called me from that country and said, "It has been confirmed that my wife is pregnant" and requested me to pray for a healthy pregnancy period and safe delivery. In the beginning of 2014, again he called and reminded me to pray for safe delivery. The time for delivery came. His wife was admitted in a hospital in Tamilnadu (India). He requested me to pray for his safe journey as he started

his journey from that country. After the child was born, again he called me and shared his joy. They were childless for seven years! God performed a miracle and gave them a child. After a few days, these happy parents took a photo along with the child and sent it to me through e-mail.

God is good. Without forgetting, when they send their photo, with the new born baby it glorifies God and also encourages others in their faith. Glory to God!

I want to say the same words which I told this couple, to the readers who are still childless – “Keep your hands on Isaiah 66:9 and pray together with faith as husband and wife. If you wish, you may send your present photo as husband and wife with name and date, and on it, with faith to me. After the child is born, you may take a photo along with the baby and send me that photo too.” You will also receive miracles. Your testimony will pave way for many others to receive their blessings.

God bless you! Let God be glorified! Amen.

“The children you will have, after you have lost the others, will say again in your ears, ‘The place is too small for me; Give me a place where I may dwell.’” (Isaiah 49:20).

10. Atmosphere of faith

Let us meditate on an incident that happened during the ministry of Elisha.

8. Now it happened one day that Elisha went to Shunem, where there was a notable woman, and she persuaded him to eat some food. So it was, as often as he passed by, he would turn in there to eat some food.

9. And she said to her husband, “Look now, I know that this is a holy man of God, who passes by us regularly.

10. Please, let us make a small upper room on the wall; and let us put a bed for him there, and a table and a chair and a lampstand; so it will be, whenever he comes to us, he can turn in there.”

11. And it happened one day that he came there, and he turned in to the upper room and lay down there.

12. Then he said to Gehazi his servant, “Call this Shunammite woman.” When he had called her, she stood before him.

13. And he said to him, “Say now to her, ‘Look, you have been concerned for us with all this care. What can I do for you? Do you want me to speak on your
